Fellow Democrats:

Oklahoma is in deep trouble and in great need of salvation. We are presently the Reddest State in a much Bluer nation. The salvation it needs will come when we the people unite and demand that our government begins now to represent all our values and not just those of the Republican Party. But, we cannot bring about this salvation unless we SHOW UP! (For a 2007 PDF booklet providing PROGRESSIVE VIEWPOINTS about our nation's challenges and why we must SHOW UP to be part of the solution, [Click Here](#)).

That is why Just Progress is encouraging all Democrats to SHOW UP at:

The 2009 Democratic Party Precinct Meetings
Thursday, March 12, 6:30 PM

We want these precinct meetings to be the best attended in history as a sign of our concern about the direction of our country. To find the location of your precinct meeting, scroll down to the [list below](#) or [Click Here](#) to download a PDF printable copy.

If the 2009 Tulsa County Democratic Party Precinct Meetings are to be the first step toward we the people uniting to help save our nation, those who attend these meetings must continue to support having our Tulsa County Democratic Party Convention elect delegates to the State Convention by the process of [Proportional Representation](#). This process enables Democrats to form groups around the core ideas and values they value the most and allocates to each group the number of delegates that represents its numeric strength at the County Convention. Electing delegates in this manner sends the message that Tulsa County Democrats are inclusive, value each other's ideas, and are dedicated to making sure that the voice of every segment of our party is heard and honored. For more information about how Proportional Representation works, and why it should be adopted, please [Click Here](#).

So, please attend your precinct meeting, and while there, do two big things:

1. Elect Precinct officers that support Progressive views about our nation's challenges and opportunities
2. Elect Precinct officers who will vote to elect State Delegates by the process of Proportional Representation
3. Pass resolutions reflecting Progressive views about our nation's challenges and opportunities.
